

Project Proposal

Prepared for: _____**Date:** _____**Project:** _____**Prepared by:** SAOS Studio

Project Overview

SAOS Studio will design and develop a professional, conversion-focused website for _____. The design will be custom-tailored to your industry, audience, and brand goals — built with modern best practices for speed, mobile performance, and search visibility.

Deliverables

- Custom homepage design and development
- Additional pages as specified below
- Mobile-responsive implementation
- On-page SEO configuration (meta tags, headings, alt text)
- Contact form and map integration
- Social media link integration
- Domain connection and deployment
- Basic analytics setup

Package Options

Package	Pages	Extras	Price
Static	1 (Home)	Custom design, mobile-responsive, deployment, domain connection	€350
Premium	3 (Home + 2)	Everything in Static + Google Analytics integration + 2 additional pages	€500

Timeline

- **Deposit & Content Received:** Day 0
- **First Draft:** Within 48 hours
- **Revision Round(s):** Days 3–5
- **Final Approval:** Day 6
- **Launch:** Day 7

Investment

A dark gray rectangular box with gold-colored text. The text is centered and reads: '€350 — Static' followed by 'or' and then '€500 — Premium'. Below this, in a smaller, lighter gray font, it says 'One-time fee · No hidden costs · Includes design, build, and deployment'.

€350 — Static

or

€500 — Premium

One-time fee · No hidden costs · Includes design, build, and deployment

50% deposit due to begin. Balance due on final approval before launch.

What's Not Included

- Copywriting (unless specified)
- Professional photography (stock images included)
- Advanced custom functionality (booking systems, e-commerce, memberships)
- Ongoing hosting (we recommend and configure; you pay provider directly)
- Revisions beyond the included rounds (quoted separately at €75/hour)

Next Steps

1. Review and approve this proposal
2. Sign the attached Service Agreement
3. Submit deposit and project content
4. We begin immediately
